Leave No Trace  
Awareness Award

# Plan Ahead and Prepare

**Find out about Leave No Trace so that we know what questions to ask!**

**Find out about the activity we will be doing in the outdoors (backpacking, paddling, climbing, etc.)!**

**Find out about the area we are going to visit!**

**Find out about the group we are going with (are they experts or novices, are they out of control, do they care about the land, are they willing to try?)!**

**Where could we go to find out the above?**

**Be sure to pass on  
any questions or ideas you might have  
to the Leave No Trace staff!**
